Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Communications Engineering Division

DATE: SPM 6-594
24 September 1956

FROM : Chief, Supplemental Programs Division, OC

SUBJECT: Contract RD 91 - Marine Crystal Video System

25X1

1. It is the understanding of this Division that the Corporation has advised that increased funds will be required on the subject contract to complete the three collection systems covered by this contract. Alternatively, the total number of systems could be reduced by one. In this event, present funding would cover the two systems with their appropriate spares.

25X1

2. It is requested that you take the necessary steps to effect a reduction in this contract by one complete system. Further, in effecting this reduction, it is recommended that particular attention be given to the sufficiency of the spares being supplied with the remaining two systems.
